## Office Hours Change

Please note

**Thursday** office hours change to

**10:30 a.m. to 7 p.m.**

effective March 13th, 2014

during Daylight Savings time.

## Speed Limit on Our Streets

Just a reminder - the speed limit on our streets is **20 mph**.

Please be a good, safe, and polite driver while on our streets.

You might even save a little gas by traveling 20 mph or less.

Please **stop** at all posted stop signs. They are there for a reason. Thanks for making our streets safe!

## The Crown Hills Question

**What are your traditions for St. Patrick's Day?**

*Respond on the "Contact Us" area on our website at [www.crownhills.org](http://www.crownhills.org). Answers will be posted in next month's Newsletter. Thank you.*

**Answers to last month's question:** What did your Valentine surprise you with this year?

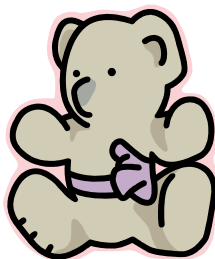

- ♥ I received a very beautiful bouquet of a dozen long stemmed red roses.
- ♥ My Valentine took me out to dinner.
- ♥ We went on a campout on the silver strand.
- ♥ I got a bouquet of roses and a teddy bear.
- ♥ Mine gave me nothing, but a "to do" list while she was away!
- ♥ My wife made me a special dinner I hadn't had in a long time and it was so-o-o good.
- ♥ I got a surprise trip on our Valentine anniversary.

### From the Office Administrator

Thank you, Carol and Greg Shue, for offering to be Co-Chairs for next year's New Year's Eve Party. We really appreciate you coming forward to take on this position.

**Notice** - We have been having a lot of satellites installed in Crown Hills. Please be sure to check the Architectural Standards for the installation requirements on the web site [www.crownhills.org](http://www.crownhills.org) or call the office for clarification and/or a copy of the rules. You must fill out an Architectural Approval before installation. Thank you.

**Warning** – please do not feed wild animals. The small ones are cute, but feeding them draws bigger or more aggressive undesirable animals into the residential area. Thank you.

### From Crown Hills Owner

Is your beautiful Birch tree looking sick, dying or dead? According to an arborist, we have European Birch trees in Crown Hills. It is a fast growing tree, planted by the developer because it looked good. This tree, however, is a river bottom tree, meaning it needs a lot of water. In our climate it is expected to live about 15 years. If you have put in a water saving landscape system, you may need to adjust the water to the tree.

**The Alpine's Women's Club** is open to all Alpine women. Next meeting is Tuesday, March 18th, 2014 at noon. The club is located at 2156 Alpine Blvd., Alpine, CA 91901. For more information please contact Karen Murphy-Linden at 619.445.5799 or [Ldygala@cox.net](mailto:Ldygala@cox.net)
