Celebrate...Celebrate...Celebrate!!!

Happy Mother's Day!

Mother's Day is Sunday, May 11, 2014 – a day to remember our Mom's....a time for warm thoughts and fond memories, for expressing the feelings and words that often go unspoken, for letting those special people in our lives know they are loved and appreciated - always.

Happy Memorial Day!

Memorial Day is a US federal holiday which is celebrated every year on the final Monday of May. Memorial Day is a day of remembering the men and women who died while serving in the United States Armed Forces.

The Tomb of the Unknown Soldier is located in Arlington National Cemetery. *(picture)*

The Crown Hills Question

Would you use the Crown Hills library on the weekend?

Respond on the "Contact Us" area on our website at www.crownhills.org. Answers will be posted next month. Thank you.

Answers to last month's question:

Where do you go to celebrate Easter or hunt for Easter Eggs?

- > Just had dinner at home and ate all the eggs.
- > Sang at my church.
- > Ate my favorite Chocolate.
- > Got to eat Mom's potato salad and have our first BBQ of the season.
- > Our family had an egg hunt for the kids with 60 colored eggs and more plastic ones. We had lots of fun with the grandkids.

Office Hours Change

Please note

Thursday office hours have changed to

10:30 a.m. to 7 p.m.

during Daylight Savings time.

From the Office Administrator

We are very busy in the office. Come in and see our new copier. When we get everything organized from moving the furniture and getting rid of all the wires everywhere, and the equipment is integrated with the new cameras, we will be able to give our great service faster to the owners not to mention being as paperless as possible. Thank you for all your patience during the transition. I really appreciate it.

Architectural Approval Information

– just so you know.....when you decide to beautify your property on the exterior, you fill out a form and turn it into the office. The form is then approved or you are called for additional information so the form may be approved. You complete the work. Now, and this is the part which somehow seems to slip by us, you need to call the office for a final approval. You actually get two approvals before the form is put in your permanent file and you are safe from future rule changes. Remember get the final approval. Thank you.

Gophers

We have contracted with AG Pest Control for our gopher service in the common areas. Please report any new gopher activity you see in the common areas to the Crown Hills office. Crown Hills individual homeowners receive a discount for service if you choose AG Pest Control. Ask for the Crown Hills Community discount and other perks they may offer our homeowners at 858.536.2999. Thank you.

Allied Waste - large item pickup service

A number of owners have called the office asking how to have large items picked up if they have the Allied Waste service for trash. You have to call one of the following numbers to make the arrangement. 1.800.421.9401 or 619.421.9400. The pickup for large items is on Thursday, but you must make an appointment. Please let them know you are a Crown Hills owner.

Pool

The gas heater for the pool is now on between 80 to 85 degrees, and will continue to be heated until November 1st. Members are really enjoying themselves. Come out and get wet!

Want a Cat and/or Kitten?
